### **3. Norges Sildesalgslag`s responsibilities**

Norges Sildesalgslag is responsible for providing the users with the right and most updated information available. NSS can not held responsible for technical errors, or problematic communications.

### **4. Security for the users**

The user is responsible for making sure the password is secure and safe, and have to make sure intruders are excluded from the services.

If there is suspicion that trespassers have access to the Extranet or information from the Extranet, it is important to report this to NSS immediately.

NSS will provide the users with a password after this agreement is signed and returned. It is necessary that the registered mobile telephone have the ability to receive SMS-messages.

The password is generated from Norges Sildesalgslag and is the electronic "signature" for log ins to the secure services.

### **5. Termination**

This agreement can be terminated with one (1) week's notice. This can be made in writing or by email. Misuse of the service can lead to termination.

## 6. Signature
