Emne : **Credit insurance as security for payment**
Til : **All byers of perlagic fish using credit insurance**

Sted : **Bergen** Date : **08.03.2010**

Reference is made to current regime where credit insurance from GIEK Kredittforsikring AS serves as payment security for bying fish through Norges Sildesalgslag.

GIEK Kredittforsikring has given notice of an increase in the insurance premium.

The new insurance premium effective from the 1st of april 2010, is going to be 0,16% (from 0,14%).

Best regards
